Description of Change:			
Accu-Tube, LLC has transitioned ISO 9001:2015 and ISO 13485:2016 certifications from Platinum Registration, Inc. to EAGLE Registrations Inc.			
Platinum Registration, Inc. notified its customers in January 2024 that it had sold its business to PRI Registrar (Performance Review Institute) and Platinum Registration, Inc. would be closing. Accu-Tube determined that EAGLE Registrations Inc. was a better fit to support the Accu-Tube ISO certification needs.			
Accu-Tube completed the transfer process and initial audit in March 2025, assuring that there were no changes in Accu-Tube's certification status as part of this transition.			
Attached you will find the new Accu-Tube ISO certificates.
