

California Proposition 65 Declaration

July 2023

Dear Valued Customer:

California law requires businesses to provide a clear and reasonable warning to customers purchasing products in the state of California before knowingly or unintentionally exposing them to one of 800+ listed chemicals or elements. This warning is required when a business is aware of or believes one or more of these listed chemicals or elements may be present in their products.

The stainless-steel tubing products sold by Accu-Tube, LLC may contain nickel as an alloying element in the raw material. While exposure to this substance during normal use of the products is minimal, this statement serves of notification of its presence. The warning statement below applies to products sold by Accu-Tube.

WARNING: Some metal products may contain elements or chemicals known to the State of California to cause cancer, birth defects or reproductive harm. For more information, visit <https://www.p65warnings.ca.gov/>.

Sincerely,
