

Restriction of Hazardous Substances (RoHS) Statement of Compliance

February 5, 2020

Dear Valued Customer:

Accu-Tube, LLC is a manufacturer of stainless steel tubing and does not melt or produce the raw materials utilized in our products. Accu-Tube does not knowingly add or expose these materials to any of the hazardous substances listed within the EU RoHS Directive: lead (Pb), mercury (Hg), cadmium (Cd), hexavalent chromium (Cr+6), polybrominated biphenyl (PBB), polybrominated diphenyl ethers (PBDE), bis (2-ethylhexyl) phthalate (DEHP), benzyl butyl phthalate (BBP), dibutyl phthalate (DBP), and diisobutyl phthalate (DIBP).

As cited in statements of compliance from our vendors, the constituent raw materials of Accu-Tube's products do not exceed the allowed levels of these substances. Therefore, the stainless steel tubing products sold by Accu-Tube are compliant with the European Union Directives 2002/95/EU (RoHS 1), 2011/65/EU (RoHS 2) and 2015/863/EU (RoHS 3).

Statements of compliance and additional supporting documentation from our vendors are available upon request.

Sincerely,

Liam Pforte
Quality Manager
