

Conflict Minerals Statement of Compliance

Dear Valued Customer:

Mercury Tube has prepared this statement in response to customer inquiries regarding compliance with the Dodd-Frank Wall Street Reform and Consumer Protection Act section 1502.

The scope of this statement is limited to the conflict minerals currently defined as Tin, Tantalum, Tungsten, and Gold; also referred to as “3TG minerals” originated in the Democratic Republic of Congo (“DRC”) or certain adjoining countries, as defined in the “Act”.

Mercury Tube is a processor of stainless steel material in the manufacturing process of tubing we do not buy these metals from smelters or mines and certify to the best of our knowledge based on written information given from our suppliers, materials supplied to us are not sourced from the Democratic Republic of Congo or certain adjoining countries.

This is a very important matter to us that we have done our due diligence and will continue to work thoroughly with our supply chain to ensure that only conflict free material is supplied to our customers.

Sincerely,

Mary Burgos
Quality Manager
