

Site Relocation Notice

October 29, 2021

Dear Valued Customer,

As indicated in our original notice dated August 19th, 2020, Accu-Tube, LLC is relocating from our existing facility located at 2960 South Umatilla Street Englewood, CO 80110, to a new facility in Denver. The buildout of the new facility has been completed and Accu-Tube has begun the transfer of legacy manufacturing equipment and personnel, with the transfer planned to be completed by December 2021.

The relevant changes as it applies to the products and services we supply to you are as follows:

- Accu-Tube's new headquarters and primary manufacturing facility will be located at 2395 West 4th Avenue Denver, CO 80223.
- During the transfer, new orders will begin to be manufactured at the new facility.
- Upon completion of the transfer activities, all operations will cease at the current Englewood facility, and all product will be manufactured and shipped from the new location.

What is **not** changing as part of this transition:

- The raw materials, manufacturing processes, and sub-tier suppliers for existing products.
- ISO 9001 certification for Accu-Tube's quality management system. Registrar audit has been completed for the new location which will be added to the current certification.
- Accu-Tube's AP remit to address at 3211 West Bear Creek Drive Englewood, CO 80110.
- Primary points of contact for sales, customer service, and other inquiries.

We intend to make this transition as seamless as possible for our customers. If there are any questions or concerns related to this change, please reach out to your sales or customer operations representative.
